Charter of Organization of the Faculty of the College of Arts and Sciences of Oklahoma State University\textsuperscript{1,2,3,4,5}

Preamble

The basic functions of a university are to advance, evaluate, preserve, and transmit knowledge and to foster creative capabilities. These functions are performed by a community of faculty, students, and administrators who are free to exercise independent judgment in fulfilling their educational responsibilities. The government of a university should be designed to allow this community to select and carry out its responsibilities with maximum effectiveness and integrity.

The Faculty, which is entrusted with the primary tasks for which educational institutions are organized — defined at Oklahoma State University as teaching, research, and outreach — is recognized as an essential participant in formulating and recommending college policies. This Charter of Organization of the Faculty of the College of Arts and Sciences is therefore adopted in order to promote the effectiveness of the College in the discharge of its responsibilities, and particularly to provide the most effective means for utilizing the competencies of the members of the Faculty for formulating, recommending, and executing the educational policies, procedures, and long-range plans of the College.

Article I: The CAS Faculty

A. Composition

1. The CAS Faculty is comprised of all full-time members of the tenure-track faculty and the career-track faculty.

   b. The career-track faculty includes all faculty members with renewable appointments not eligible for tenure, as identified in the Personnel Procedures of the College of Arts and Sciences. Career-track faculty members are entitled to vote on items brought before the CAS Faculty excluding those items brought before the College Faculty excluding those items.

2. The Standing Committees of the ASFC are its permanent operating agents.
   a. Except for the Reappointment, Promotion and Tenure Committee and the Sabbatical Leave Committee, the standing committees shall formulate and recommend actions, policies and procedures for approval by the ASFC, which in turn makes recommendations to the Dean. As they make recommendations concerning personnel matters, the Reappointment, Promotion and Tenure Committee and the Sabbatical Leave Committee report directly to the Dean.
   b. Standing committees shall be available to consult with and advise administrators as well as members of the CAS faculty on matters concerning their areas of responsibility.

   a. Committees shall adopt their own rules of procedure and appoint such sub-committees as needed. A committee member may appeal to the ASFC against committee rules which they consider a violation of the spirit of the procedures of the ASFC.
   b. The chair of each committee (except the Reappointment, Promotion and Tenure Committee and the Sabbatical Leave Committee) shall report at
each regular ASFC meeting all recommendations of the committee and discuss its activity.

i. In submitting a report, the committee chair may recommend that the ASFC submit the matter to the CAS Faculty for a vote.

ii. Only recommendations approved by the ASFC shall be regarded as officially representing the CAS Faculty and be presented to the Dean as such.

c. A committee should initiate studies of policies and procedures that are within its jurisdiction. It shall also consider these policies and procedures when directed to do so by a resolution of the ASFC or when requested to do so by the Dean.

d. Committees shall meet as often as necessary in order to perform their duties efficiently. The committees shall determine times for their own meetings and elect a secretary.

e. Each committee shall prepare a brief summary of its activities and recommendations at the end of each year, and file the report with the Secretary of the ASFC.

f. Proposals for major changes in personnel assessment and other policies and procedures, after having been approved by the ASFC, shall be presented in writing to the CAS Faculty for its approval. They shall be considered, but not voted on, at a CAS Faculty meeting for which at least two weeks’ notice, including the proposals for change, has been given. A written ballot shall be distributed to eligible faculty members within five working days of the meeting at which the proposal is considered, and shall be returned to the Chair of the ASFC Rules and Procedures Committee within ten working days of this meeting. This ballot shall present any complex proposal by its separate parts, each to be voted on separately, except in cases where various parts are logically interdependent. For voting purposes, all eligible members of the CAS Faculty, as defined in its Charter (Article I.A.1), may cast ballots. The majority of the votes cast is needed for a measure to win approval.

B. Composition of Standing Committees.

1. The seven standing committees of the ASFC are:
   a. College Policy and Planning (six members and a chair)
   b. Curriculum, General Education and Outreach (six members and a chair)
   c. Non-Tenure Track Faculty (six members from the career-track faculty and a chair)

   f. Sabbatical Leave (six members from the tenured faculty from which one will be elected chair)
g. Scholarship (six members and a chair)

2. Committee Chairs
   a. The Chairs of the Standing Committees (except for Reappointment, Promotion and Tenure and Sabbatical Leave committees, which elect their own Chairs) shall be appointed by the ASFC at its regular August meeting from among the eligible members of the ASFC (see IX.B.3.b).
   b. Chairs will serve for one year beginning at the August meeting.
   c. Successive terms as chair of the same committee shall be permitted.

3. Faculty and Student Committee Members
   a. Members of the CAS Faculty shall be appointed to Standing Committees by the ASFC at its regular August meeting. Their three-year term begins on appointment and ends when they are replaced.
   b. Only one member of a department may serve on a given committee. No faculty member shall serve on more than one standing committee at the same time.
   c. CAS faculty members will be appointed to committees by the ASFC according to the rotation established for that committee. Prior to the August regular ASFC meeting, the ASFC Chair will notify departments, schools and faculty groups as to their committee vacancies and ask them to submit nominees for these to the Chair of the Rules and Procedures Committee. Nominations should be received in sufficient time to prepare for the August meeting. At the August ASFC meeting, faculty appointments to committees will be made by a vote of the ASFC.
   d. The College Policy and Planning Committee, Curriculum, General Education and Outreach Committee, Rules and Procedures Committee, and the Scholarship Committee may include up to two additional members selected from students whose major field is in CAS. Prior to the September regular ASFC meeting the ASFC Chair will seek nominations for student committee members from the CAS Student Council. Student members will serve for one-year terms and may be reappointed. These nominations should specify the student’s major and year and be sent to the Chair of the Rules and Procedures Committee so as to be received in sufficient time to prepare for the September ASFC meeting. At the September meeting, student appointments to committees will be made by a vote of the ASFC.
   e. The Non-Tenure Track Faculty committee may include up to two additional members selected from CAS faculty members who are not career-track or tenure-track, including temporary faculty such as Lecturers or Visiting Assistant Professors. These additional faculty members will serve for one-year terms and may be re-appointed. The Chair of the Non-Tenure Track Faculty committee will send nominations for these members to the Chair of ASFC for approval by ASFC.
   f. The following rotations (see Tables 1-7) will govern CAS Faculty appointments to the ASFC Standing Committees.
